## MACCHIA ANTONINI RING-SHAPED ITINERARY

Ring-shaped itinerary with a medium altitude range, which starts and arrives in Femminamorta. The place is reachable from Pistoia both by car (through SP17), and by bus with line 59 of Copit. The roads with very light traffic go through fresh valleys and picturesque hamlets.

**Notes:** Since there are bike assistance points we recommend bringing the necessary equipment to mend punctures or for other possible mechanical problems.

**Main places passed:** Femminamorta, Margine di Momigno, Macchia Antonini, Calamecca

**Points of interest:** Macchia Antonini, Calamecca

**Water supply:** easy thanks to the springs along the itinerary

**Mechanical assistance points along the itinerary:** none

**Recommended period:** from April to November.

**Type of street surface:** 100% asphalted

**Type of bike:** bike with gears

**Level of difficulty:** medium for the uphill sections of Calamecca-Femminamorta

**Length:** 14.8 km

**Altitude range:** 330 m.

**Travelling time:** 3 h.
