# FROM AVAGLIO TO MARLIANA

Easy itinerary, with mainly downhill altitude range. You start in Avaglio, place reachable by car from Pistoia (first taking the SS17 and then from Femminamorta the SS633 Mammianese) or from Pieve a Nievole along the SS633. From Pescia (PT), with the Lazzi bus line P858, it is possible to reach the Goraiolo.

**Notes:** Very shady itinerary, recommended during summer. Since there are bike assistance points we recommend bring the necessary equipment to mend punctures or for other possible mechanical problems.

**Main places passed:** Avaglio, Marliana, and Panicagliora

**Points of interest:** The church and the hamlet of Marliana, the Museo etnografico (Ethnographic Museum) in Goraiolo

**Water supply:** easy thanks to the springs along the itinerary

**Mechanical assistance points along the itinerary:** none

**Recommended period:** from April to October

**Type of street surface:** 100% asphalted

**Type of bike:** with bicycle gear

**Level of difficulty:** easy

**Length:** 11.5 km

**Altitude range:** 55 m.

**Travelling time:** 1.5 h.
